

**NIETO SENETINER**

DESDE 1888

## CHARDONNAY

2021

### VARIETAL

100% Chardonnay

### ORIGIN

Mendoza, Argentina

### VEGETATIVE CYCLE

Despite heavy snowfall at the beginning of June 2020, the snow tapered off in what remained of the winter months. In November and December, temperatures were only slightly above average and the weather was warm and dry. At the end of December, cloud cover and heavy rains began and stretched into the first half of January. The temperature dropped significantly, 2° Celsius lower than historical averages. This trend continued in February, which was cool and humid, with frequent rains during the first few weeks and temperatures lower than historical averages.

Finally, the weather stabilized in March, with dry days and temperatures of approximately 30° Celsius. This allowed the red grape varieties to reach maturity and the harvest began mid-month. Occasional rains and a slight drop in temperature delayed maturity for a few days but by the beginning of April, the grapes had achieved well-rounded, sweet tannins.

### AGING

Aging in contact with lees and oak for three months.

### TASTING NOTES

A light yellow wine with greenish tints. It has tropical fruit aromas such as pineapple and mango, with some hints of white flowers. On the palate, some buttery notes with a refreshing acidity and very long lasting finish.
